

Broyhill

when only **perfection** will do

SO... what's new you ask?

Poly refuse boxes with hydraulic dump for Broyhill, Toro, John Deere and Textron vehicles. Steel boxes also available.

AccuPro sprayer gets more power – 23.5 hp diesel engine or 25 hp gas.

Greens Keeper rear (trailer) greens brush with improved chain drive and no wheel tracks left behind.

160 gallon poly tank for Textron vehicle sprayers. Tank has patented fill well moat to capture spilled chemicals.

Legacy Pro/Sport (old Highlander) with improved controls, cup holder and 12 volt power source. Hydraulic lifts on rear and mid section attachments.

AccuAire aerator with flex wing outer sections and improved core wheel bearings for super long life. Ballast tanks available as an option.

Ag sprayers up to 1500 gallon and 90 ft. self-supporting booms.

-OVER-

Ice fishing trailer with lockable storage areas under the snowmobile deck. Front storage box optional.

Trailers for fly fishing inflatable boats and white water rafts. Lockable storage areas standard on deluxe models. Two sizes available.

TrailSport trailers for quads/ATVs.

Load-And-Pack improvements include new 4" wider door, undercoating, powder coated paint, improved A/C compressor, backup alarm, mirrors and Tier II diesel engine.

50 gallon and Stadium 80/110 with the new Ace centrifugal pump/engine combo. New 3 stadium sprayer sizes 80, 110, 160 gallon. All fit the same skid/frame for proper vehicle fit.

60th Anniversary caps & jackets. Updated web site with overstock items, one of a kind items, etc.

New drag brush for golf greens and synthetic turf areas – stands the grass straight up for better appearance.

110 gallon sprayer designed for the new Kubota RTV vehicle. Sprayer is powered by vehicle hydraulics.
