# Broyhill®

when only **perfection** will do

## TERRAFORCE®

### TerraForce® features:

- Powerful 18 or 23hp Kohler® V-Twin air-cooled engine.
- New 5-speed transmission with 18mph ground speed.
- 2000 lb. payload machine.

- Power steering.
- 4-wheel hydraulic drum brakes and parking brakes.
- Multi-leaf spring dual shock suspension.
- 8-gallon fuel capacity.
- Powder-coated finish.
- Cool, white twin bucket seats.
- Welded tubular steel frame construction.
- Mid-engine/trans design and low center of gravity for stable operation.
- Rear-accessible drive train for simple maintenance.
- Cab-forward design for maximum visibility and shorter turn radius.
- 6 gpm, 1500 psi hydraulic pumping system.
- Tough fiberglass cowl, fenders and hood.

## TURF CARE

## TERRASPORT®

### TerraSport® features:

- Powerful 18hp Briggs and Stratton gas engine.
- Continuously variable transmission (CVT) with 20mph ground speed.
- 1500 lb. total capacity; 1000 lb. in cargo box.
- Power steering.
- 4-wheel hydraulic drum brakes and parking brakes.
- Multi-leaf spring dual shock suspension.

- 8-gallon fuel capacity.
- Powder-coated finish.
- Cool, white twin bucket seats.
- Robotic-welded tubular steel frame construction.
- Manual differential lock.
- Knobby tires: front 22.5 x 10 x 8; rear 25 x 12 x 9.
- 7" ground clearance.

### **LEGACY PRO**

- 3 wheel Hydrostatic drive.
- Powerful air cooled 16hp Briggs & Stratton engine.
- Standard mid mount and rear mount hydraulic lifts.
- Available with standard turf or knobby tires.
- 40" front dozer blade equipped with both hand and foot lever controls. (optional)

### **LEGACY SPORT**

- 3 wheel hydrostatic drive.
- Unique wrap-a-round utility box is great for mounting attachments or keeping tools and supplies at hand's reach.
- Rugged fiberglass construction.
- Powerful air cooled 16hp Briggs & Stratton engine.
- Standard mid mount and rear mount hydraulic lifts.
- Lockable/adjustable depth control for center attachments.

### **REFUSEMATE**

- Powerful V-Twin 4 cycle air cooled 18hp engine/20mph maximum speed.
- Automatic transmission multi-leaf spring dual shock suspension.
- 4-wheel hydraulic drum brakes.
- Tough fiberglass cowl, fenders & hood.
- Twin bucket seats. (cool white)
- 2.0 cubic yard, water tight 14 gauge steel Refuse Dump Box with 2 GPM, 12 volt hydraulic system & heavy duty 2-stage cylinder.
- 2.0 cubic yard poly box available.

### **GREENS KEEPER** **SIMPLE-DURABLE-SAFE**

- Works great on greens, tee boxes and fairways.
- Rotating brushes fill aeration holes from all directions.
- Soft, pliable bristles are firm enough to do the job without damaging grass plants.
- Rapid brush rotation contacts grass from all directions causing turf to stand up.
- Stationary brushes enhance Greens Keeper's performance during heavy top dressing.
- Brush height and rotation speed are adjustable.
- Trailered engine version also available.

### **SILHOUETTE I & II GREENS MOWER & EQUIPMENT TRAILER**

- Heavy duty 9 gauge expanded metal bottom and sides.
- Unit stands up for easy storage.
- Optional front roller hold downs for various greens mowers.
- Rounded tail gate eliminates contact with sharp corners.
- Greaseable wheel bearings.

## ACCUPRO 210

Experience quality in a vehicle sprayer with the affordable AccuPro 210, by Broyhill.

- The powerful 18hp Kohler engine features a 5 speed transmission.
- Multi-leaf spring dual shock suspension.
- 4 wheel hydraulic drum brakes.

The 210 gallon pin mounted sprayer includes a safe low profile polyethylene tank, quadra-jet agitation & dependable hydraulic motor driven centrifugal pumping system.

## SANITURF™

An Athleticlean™ TurfStat Pro™ Applicator

- 3 low profile tank sizes 80,110 and 160 gallon.
- Designed to spray athletic hygiene products, disinfectants, sanitizers, fungicides, virucides and mildewstats.
- SaniTurf features 6 roller pump (21.8 gpm and up to 100 psi).
- Coupled to 3.5hp Briggs engine.
- Boomless nozzle assembly provides 30 ft. spray swath at 40 psi.

## PROTECH SPRAYERS

- Low profile 300 gallon poly tank for improved operator visibility.
- Removes easily from trailer and converts to a handy skid sprayer.
- Easy bolt-on heavy duty trailer assembly.
- Convenient sight gauge tube for monitoring tank fluid level and offset 16" fillwell with moat.
- Choose 8hp Honda or Briggs engine.
- High volume centrifugal pumping system features Quadra-Jet agitation.
- High pressure diaphragm pumping system features stainless steel mechanical agitation.

## VACMATE

- Powerful V-Twin 4 Cycle.
- Air cooled 18hp Briggs & Stratton engine 20mph max speed.
- Automatic (CVT) transmission.
- Multi-leaf spring dual shock suspension.
- 4-wheel hydraulic drum brakes.
- Tough fiberglass cowl, fenders & hood.
- Twin bucket seats (cool white)
- Dependable 18hp Honda engine w/electric start on vac.
- Powerful 8" diameter suction hose w/power assist lift.

## TERRAROLLER

The TerraRoller promotes many of the benefits of coring (such as improved water infiltration and severing runners and rhizomes for accelerated root and shoot growth).

- Use roller alone for faster greens.
- Integrated spiker can be lowered into position to help greens breathe and speed water absorption with virtually no surface disruption.
- Hydraulic lift provides easy operation and ample ground clearance during transport.
